

## **Institutional Distinctiveness**

The mission of the college is Humane citizen through college. The vision of the institution includes the following:

1. To propagate, encourage and provide education.
2. To create general awareness about women's education amongst Muslim.
3. To offer an environment conducive for learning and creative thinking.
4. To uplift the deprived and academically weak students by empowering them with knowledge.

The institution is located in the predominantly Muslim area. Focus on the women's education is a task of crucial importance that this institution has undertaken. Without women education, upliftment of the particular section of society cannot be visualized. The institution is in fact the only one in the town which imparts co-education, having large number of girls. Institution has been making strident efforts to impart education to the minority students. However, it faced some challenges and found that most of the students were not able to complete their education due to poor financial condition. The parents of the students belong to low-income strata; hence find it difficult to pay the fees. Considering the large number of students, even Govt. scholarship were not enough. In this backdrop, the teacher and management came forward to help number of deserving students, especially girls. The college established 'Student Aid Fund' to support poor and needy students. Deserving students are helped financially to pay the admission fees. This ensures that no student is deprived of education for want of money. This fund enables the students the exam fees also. This probably also helps in checking the drop-out rate of the students.

Students applying for the benefit of SAF must satisfy condition decided by the committee. The decision of the principal and In-Charge of SAF is final regarding grant of concession in fees to students.

Keeping in mind the vision of the institute, its priority in imparting education to minority students and its thrust on women education, SAF play a crucial role. Otherwise, most of the students, particularly girls would not have completed their education.
